ABOUT THE UNIVERSITY

Uttar Pradesh Pandit Deen Dayal Upadhyaya Pashu Chikitsa Vigyan Vishwavidyalaya Evam Go-Anusandhan Sansthan (DUVASU), Mathura was established by Government of Uttar Pradesh through the Act No. 27 of 2001 on October 25, 2001, by carving out all the units of College of Veterinary Science and Animal Husbandry from C.S. Azad University of Agriculture & Technology, Kanpur. The College of Veterinary Science and Animal Husbandry, Mathura became its first constituent college. The parent institution of this University had the distinction of being the first Veterinary College set up before independence of India on 16th January 1947. It was the first Veterinary College in Asia to start with degree programme in Veterinary Science and to start M.V.Sc/M.Sc degree programmes in various disciplines of Veterinary and Animal Sciences in 1951 and thereafter started Ph.D. degree programmes.

The University has been named after a great visionary and statesman - Pt. Deen Dayal Upadhyaya, whose native place is in close proximity to Mathura, propounded the philosophy of “Integrated Humanism”. He emphasized that the modern advances in science and technology should be oriented to uplift the economy of rural India and farming community. He was a connoisseur of traditional wisdom of Indian thinkers and a great supporter of natural resource management in crop and animal husbandry.

The mandate of the University is to (a) impart quality education in Veterinary and allied sciences (b) undertake need-based and basic research and (c) provide extension services to disseminate the research findings and knowledge to farmers and livestock owners.

The University, spread over an area of 782.34 acres, is located in Mathura cantonment and is about 5 km from Mathura railway junction and 3.5 km from roadways bus stand. The main campus appears impressive with the buildings of College of Veterinary Science & Animal Husbandry, College of Biotechnology, College of Fisheries Science, College of Dairy Science, Institute of Para - Veterinary Sciences, Krishi Vigyan Kendra, University Library, Nand Bhawan, Referral Super-speciality Veterinary Hospital (Kothari Hospital), health centre, educational museum, four guest houses, eleven hostels, auditorium, gymnasium, helipad, residential colonies, herbal garden, nakshatra vatika, street lighting, independent water supply, primary school, medical shop, canteen, bank, ATMs and post office. In addition, the University, on its own campus, has Livestock Farm Complex (LFC) with more than 500 indigenous cows, Murrah and Nili Ravi buffaloes, goat farm having more than 600 goats of ten different breeds and poultry farm with more than 2500 birds, Go - Anusandhan Sansthan, horse stable with riding field and agriculture farm. The other agriculture farm of approximately 1400 acres is located at Madhuri Kund on Govardhan road about 30 km from the main campus.

Being located in “*Braj*”, an area where cattle, symbolized by cow, are held in high esteem, the University is unique in having special responsibilities towards promoting cow husbandry through research and technological interventions.

Placement of the University alumni is a gold standard bench mark of the successful performance of any university. DUVASU has manifested its superiority by way of almost 100 per cent placement of its students in State animal husbandry departments, banks, private sectors, R&D, academic and research institutes, administrative services, Remount Veterinary Services and paramilitary forces like BSF, ITBP etc. DUVASU has come a long way in attaining the objectives for which it was established and is poised to touch the newer heights of performance and milestones of achievements. In recent years, the graduates of this college are coming with new start-ups in terms of small animal clinics and have become job providers than job seekers. During the last almost one decade, students of College of Veterinary Sciences and Animal Husbandry have been doing exceedingly well in All India Joint Entrance Examination for Post graduate scholarships/Junior Research Fellowship conducted by Indian Council of Agricultural Research, New Delhi.

The University began a new chapter in its journey by starting with two new colleges- College of Dairy Science and College of Fisheries Science from the academic Year 2024-25. Presently, degree programmes are going on in its four colleges, namely - College of Veterinary Science and Animal Husbandry, College of Biotechnology, College of Dairy Science and College of Fisheries Science. In addition to the degree programmes, two diploma programmes i.e., Diploma in Livestock Extension and Diploma in Veterinary Pharmacy are also going on since 2013 in the Institute of Para Veterinary Sciences. The University has signed Memorandum of Understanding (MoU) with Central Institute for Research on Goats (CIRG), Makhdoom; Indian Veterinary Research Institute (IVRI), Izatnagar; National Dairy Research Institute (NDRI), Karnal; NRC Meat, Hyderabad; NIAH, Baghpat; RAJUVAS, Bikaner; Central Council for Research in Homeopathy, New Delhi; CSWRI, Avikanagar; Sanskriti University, Mathura; IARI, New Delhi; NDVSU, Jabalpur; ICAR-CARI, Izatnagar and GBPUAT, Pantnagar, ANDUAT, Ayodhya, SVPUAT, Meerut etc. In addition, University is also having Memorandum of Understanding with Oklahoma State University, Oklahoma, USA; Purdue University, West Lafayette, Indiana, USA and International Training Centre on Pig Husbandry, Lipa City, Philippines. These MoUs with National and International institutes and Universities have enhanced the research and education opportunities and capabilities for students through their experienced faculty, educational opportunities and laboratory facilities.

COLLEGE OF VETERINARY SCIENCE AND ANIMAL HUSBANDRY

It is one of the premier Veterinary Colleges of the country catering to the need of Uttar Pradesh by carrying out teaching, research and extension education programmes pertaining to

livestock production and health. The college has well established infrastructure and highly competent and experienced faculty. The college has a glorious past and the distinction of having its alumni holding high positions in India and abroad as teachers, researchers, policy makers, consultants and administrators.

The College has following well-equipped 20 departments as per MSVE Regulation - 2016 of VCI for under graduate degree programme (B.V.Sc. & A. H.) and post graduate regulations of ICAR:

- i. Veterinary Anatomy
- ii. Veterinary Physiology
- iii. Veterinary Biochemistry
- iv. Veterinary Pharmacology & Toxicology
- v. Veterinary Parasitology
- vi. Veterinary Microbiology
- vii. Veterinary Pathology
- viii. Veterinary Public Health
- ix. Veterinary Epidemiology
- x. Animal Nutrition
- xi. Animal Genetics and Breeding
- xii. Livestock Production Management
- xiii. Livestock Products Technology
- xiv. Veterinary Gynaecology & Obstetrics
- xv. Veterinary and Animal Husbandry Extension Education
- xvi. Veterinary Surgery and Radiology
- xvii. Veterinary Medicine
- xviii. Poultry Science
- xix. Veterinary Clinical Complex (VCC)
- xx. Livestock Farm Complex (LFC)

All the Departments are having well qualified faculty and excellent laboratory facilities. Apart from this, the College has the Central Instrumentation Laboratory which is well equipped with state-of-the-art instruments, and other research gadgets.

Veterinary Clinical Complex (VCC) of the college is a super-speciality veterinary clinic equipped with modern facilities for diagnosis and treatment of different diseases. These facilities are used for providing “hands on training” to under-graduate and post-graduate students of the college. Round the clock emergency clinical services are also being provided in this hospital for the benefit of livestock and pet owners.

The College offers following three academic programmes:

- (i) B.V.Sc. & A.H.: 5½ years degree programme as per MSVE-Regulation 2016 of Veterinary Council of India (VCI).
- (ii) M.V.Sc.: Minimum 4 semesters as per BSMA-2021 regulations of Indian Council of Agricultural Research (ICAR)
- (iii) Ph.D.: Minimum 6 semesters as per BSMA-2021 regulations of Indian Council of Agricultural Research (ICAR)

COLLEGE OF BIOTECHNOLOGY (Under Self-Finance Scheme)

The College of Biotechnology was started in 2010 under self-finance scheme with the objective of imparting quality education in the field of biotechnology and undertakes research in Biotechnology and allied subjects, and also to generate competent human resource. The College has competent faculty to run the undergraduate and post graduate programmes and is well equipped with the necessary facilities for teaching and research. Availability of excellent laboratory facilities and experienced faculty of College of Veterinary Science and Animal Husbandry is the added strength of the College of Biotechnology. The graduates of this college have been selected to different National Institutes of the country for their higher studies. At present this college is following the recommendations of the 6th Dean's Committee of ICAR for running the undergraduate programme (B.Tech. Biotechnology) and is following ICAR BSMA recommendations for its PG and PhD programmes. The college has the following departments:

- i) Plant Biotechnology
- ii) Animal Biotechnology
- iii) Microbial and Environmental Biotechnology
- iv) Bioinformatics

The academic programmes offered by this college as follows:

- i. Bachelor of Technology (Biotechnology): 4 years degree programme as per as per the VIth Deans committee report of ICAR and as amended to time to time.
- ii. MSc./ MVSc./ M. Tech. (Biotechnology): Minimum 4 Semesters as per BSMA-2021 regulations of Indian Council of Agricultural Research (ICAR) as amended to time to time. The candidates with degree of BSc are awarded MSc, while those with degree of BVSc and AH are awarded MVSc and those with B. Tech are awarded M. Tech.
- iii. PhD (Biotechnology): Minimum 6 Semesters as per BSMA regulations of Indian Council of Agricultural Research (ICAR) as amended from time to time.

In addition, College of Biotechnology is also offering a certificate course from academic year 2024-25 in 'Self Reliant Mushroom Farming'. For details of this course and admission as well as fee details, the candidates are advised to contact Dean, College of Biotechnology. Efforts

are also going on to get the status of this Institute converted to a Public Funded College on the similar lines as other college of the University.

COLLEGE OF FISHERIES SCIENCE

The College of Fisheries Science was started from academic session 2024-25 with the objective of imparting quality education in the field of fisheries and aquaculture and to undertake basic and applied research in fisheries, and generate competent human resource. The college is equipped with the necessary facilities for teaching, research, and farm exposure. The College has following well equipped 7 departments as per recommendations of Vth Deans Committee report of the ICAR:

- i) Department of Aquaculture (AQ)
- ii) Department of Fisheries Resource Management (FRM)
- iii) Department of Aquatic Animal Health Management (AAHM)
- iv) Department of Aquatic Environment Management (AEM)
- v) Department of Fish Processing Technology (FPT)
- vi) Department of Fish Engineering (FE)
- vii) Department of Fisheries Extension Economics & Statistics (FEES)

All the departments are having well qualified faculty and laboratory facility. Availability of excellent laboratory and experience faculty of the college of veterinary science and animal husbandry and college of biotechnology is an added advantage to this college. Apart from this, the college has instructional fish farm having carp hatchery and fish production ponds for field and practical learning. These facilities are used for skilled training, experiential learning and field practical to the students.

The College offers following two academic programmes:

- i. Bachelor of Fisheries Science (B.F.Sc): 4 years degree programme as per the VIth Deans committee report from the academic year 2026-27.
- ii. Master of Fisheries Science (M.F.Sc): Minimum 4 Semesters degree programme from academic year 2026-27 as per BSMA-2021 regulations of Indian Council of Agricultural Research (ICAR) as amended from time to time.

The college has been offering four years Bachelor of Fisheries Science as per the VIth Dean Committee report from academic year 2025-26

COLLEGE OF DAIRY SCIENCE

The College of Dairy Science was started from academic session 2024-25 with the objective of imparting quality education in the field of dairy science and dairy technology and to fulfill teaching, research and extension mandate in Dairy and allied subjects. The College is equipped with the necessary facilities for teaching, research. The college has been constituted as

per recommendations of VIth Deans Committee ICAR and has five departments and one section, viz.,

- i) Dairy Technology
- ii) Dairy Engineering
- iii) Dairy Chemistry
- iv) Dairy Microbiology
- v) Dairy Business Management
- vi) Pilot Dairy Unit cum Business Process Development Centre

The College offers following two academic programmes:

- i. Bachelor of Technology (Dairy Technology): 4 years degree programme as per ICAR VIth Deans committee recommendations from the academic year 2025-26
- ii. MSc./ M. Tech. (Dairy Science): Minimum 4 Semesters as per BSMA-2021 regulations of Indian Council of Agricultural Research (ICAR) as amended from time to time. The candidates with basic degree of BSc will be awarded MSc, while those with basic degree B. Tech will be awarded M. Tech.

INSTITUTE OF PARA-VETERINARY SCIENCE (Self-Financed)

The diploma courses in Veterinary Pharmacy and Livestock Extension were started with the financial support under "Rashtriya Krishi Vikas Yojna" in College of Veterinary Science & Animal Husbandry in 2013 under self-finance scheme and the Institute of Para-Veterinary Science was established. Since then, these programmes are running successfully. Realizing the importance of livestock resources, veterinary education has been strengthened over the years. However, in view of the limited availability of qualified, Veterinarians and trained para-veterinary staff, livestock owners/farmers in remote areas face difficulties in accessing their services. Keeping this in view, diploma courses in extension of livestock services and veterinary pharmacy were started. This has created immense job opportunities for the rural youth. Veterinary Pharmacists and Livestock Extension workers are essential for efficient veterinary services which include first aid and general healthcare and management of livestock including vaccination, artificial insemination in livestock and assistance in public health services and control of zoonoses, endemics and epidemics under the guidance of expert veterinary professional services at village level.

The minimum qualification for appointment as livestock extension officer in Govt. of U.P. is 'Diploma in Livestock extension' as per the government's notification no. 07/2024/I/798726/37-3099/8/2023, dated 18 Nov. 2024. Similarly, the qualification for recruitment of Veterinary Pharmacist is 'Diploma in Veterinary Pharmacy' as per the government's notification no. 01/2025/705/thirty seven-3-2025-2(04)/17/37-3099/100/2021, dated 04.07.2025.

The Institute offers the following two academic programmes:

Name of the programme	Duration
1. Diploma in Veterinary Pharmacy (DVP)	: 2 years 3 months.
2. Diploma in Livestock Extension (DLE)	: 2 years 3 months.

STUDENT'S AMENITIES

The university provides for facilities for indoor and outdoor games for students. Large play-ground for outdoor games like cricket, hockey, football, volleyball, lawn-tennis, kabaddi, kho-kho as well as, a gymnasium with indoor facilities are available. has common room facility with coloured television, newspapers and magazines. Indoor game facilities for Table-Tennis, Carom etc. are also available. Mess facility is available in all the University hostels. The hostels are managed by hostel wardens under the supervision of Dean Students Welfare (DSW). Hostel allotment is done as per the availability.

Students Council: The University has a student's council which includes the class representatives from different programmes. The President, Vice President, General Secretary and members of the council hold their office for one academic year. The student council participates in organization of all University events. Representatives of the council hold positions in different administrative committees of the University.

NCC and NSS: NCC/NSS is available for each and every student of University. The students have to compulsorily join 1 UP R & V Sqn. NCC or NSS. In addition to routine activities of NCC and NSS, they can also learn horse riding and participate in Republic day parade and various national level equestrian events. NCC cadets of R & V squadron have been bringing laurels to the University in national level events.

Communication Skills and Personality Development Programme: University engages outside experts for improving the communication skills of students and for their overall personality development.

Post Graduate Scholarship Coaching Classes: Every year for the benefit of students, JRF coaching classes are arranged by the University so that maximum students are able to qualify the All-India Agricultural Universities Joint Entrance Examination for Post graduate scholarship which is conducted by ICAR.

Scholarships and Stipends

Merit Scholarships

B.V.Sc. & A.H.: Three students of each B.V.Sc. & A.H. professional year are awarded University Merit Scholarship on the basis of their scholastic merit in their respective classes. Tuition fee of such students is also waived off.

All the students seeking admission through VCI are eligible for National Talent Scholarship of ICAR @ Rs. 3000/- pm., provided they are from the outside state.

M.V.Sc.: One scholarship of Rs. 1000/- pm is awarded to one student in each Department on the basis of merit. In addition, all the students seeking admission through ICAR common entrance test are eligible for National Talent Scholarship of ICAR @ Rs.5000/- pm, provided they are from state other than Uttar Pradesh.

Stipend of the Social Welfare Department: Students belonging to various constituent colleges/Institute of University are eligible to receive monthly stipend and fee refund as per the rules of Government of Uttar Pradesh.

Award of Medals

B.V.Sc. & A.H.: The meritorious students are awarded University Gold, Silver and Bronze Medals and Vice-Chancellor Medal. Various philanthropists and societies have instituted awards for meritorious students viz., Pt. Jankinath Madan Memorial Best Clinician Medal, Indian Society of Veterinary Pharmacology & Toxicology (ISVPT) Medal, Dr. PG Pandey gold medal, Dr. Jitender Kumar Memorial gold medal, Col. Y.N. Upadhyaya Memorial gold medal, Dr. Mahipal Singh Memorial gold medal, Dr. P. Rai Memorial gold medal and DUVASU IPSA gold medal and are awarded as per University rules.

M.V.Sc.: The meritorious students are awarded University Gold & Silver Medals and Vice - Chancellor medal as per University rules. Societies have instituted awards for meritorious students viz., DUVASU IPSA gold and silver medal for highest and second highest marks in the subject of Poultry Science and are awarded as per University rules.

Ph.D.: One meritorious student securing highest marks in department of Poultry Science is awarded DUVASU IPSA gold Medal as per University rules.

B. Tech (Biotechnology): The meritorious students will be awarded University Gold, Silver and Bronze medals as per University rules.

M.Sc./M.V.Sc./ M.Tech. (Biotechnology): The meritorious students are awarded University Gold and/or Silver Medals as per University rules.

B. Tech (Dairy Technology): The meritorious students will be awarded Gold, Silver and Bronze medals as per University rules.

M.Sc. / M. Tech.: The meritorious students shall be awarded Gold and/or Silver Medals as per University rules.

B.F.Sc.: The meritorious students will be awarded Gold, Silver and Bronze medals as per University rules.

M.F.Sc. Aquaculture.: The meritorious students shall be awarded Gold and/or Silver medals as per University rules.

13. Syllabus for UGEE-2026

The syllabus for UGEE-2026 will be as that of Intermediate of Uttar Pradesh Board/ CBSE or Equivalent.

14. Question Paper (Question booklet)

a. for UGEE-2026

- The Question Booklet contains 200 questions serially numbered from 1 to 200. There will be 50 questions each from Physics and Chemistry and 100 questions from Biology or Mathematics. The candidate will have to mark in choice of subject on OMR Sheet.
- The candidates aspiring for admission in B.V.Sc. and A.H. / B.F.Sc. has to appear in subject of Biology, while candidates aspiring for admission in B. Tech. (Biotechnology)/ B. Tech (Dairy Technology) can appear either in subject of Biology or Mathematics.
- The OMR Answer sheet/Response sheet is inserted in each Booklet and each OMR sheet has 200 blank spaces serially numbered from 1-200 for filling the answers of respective questions. **NO ADDITIONAL OMR SHEET SHALL BE PROVIDED.** Candidates are advised to handle and fill it carefully.
- The Booklet is stapled, bound and sealed on three open sides with paper seals.
- Question Booklets are in four sets i.e. A, B, C & D.
- In case of any doubt, discrepancy, misprinting, missing pages etc., the candidate must bring it to the notice of the Invigilators within the first 5 minutes and get the question booklet replaced with the booklet of the same series set (A, B, C or D) before writing the answer.
- The rough work should be done only on the question booklets. Extra blank page is provided in question booklets for this purpose. Neither will any separate paper be provided for the same nor will candidate use any of their own paper.
- There shall be four marks for each correct answer and one mark will be deducted for each incorrect answer. More than one answer indicated/marked against a question will be deemed as incorrect answer and will be negatively marked. Zero marks will be awarded for non-attempted question.
- Use only **BLACK/BLUE BALL POINT PEN** for writing and filling the circle(s) on the OMR answer sheet.
- Please read the instructions given in the question booklet in full before attempting the questions.
- The question paper will be in Hindi and English both, however, in case of any discrepancy English version of question paper will be considered to be final.

15. Answer Sheet

The answer sheet i.e., OMR will be provided with the Test Booklet. Candidates are advised to go through it and be fully conversant with the requirement of given particulars and marking the answers so that in the examination hall they could do so without any difficulty.

Note: No query regarding filling up of the test-booklets and answer sheets by the students will be entertained in the Examination Hall. The answer sheet used will be of special type, which will be scanned on Optical Scanner. There will be two sides of the Answer Sheet. Each answer circle on the sheet corresponds to the serial number of questions given in the Test Booklet. With each column, there are four circles bearing letters a, b, c and d which corresponds to the four responses, one of which is correct or most appropriate.

16. Writing of Answers or Responses

There will be four alternative answers for each of the question numbering from 01 to 200. The candidate will indicate his/her response to the question by **completely darkening the appropriate circle with BLACK /BLUE BALL PEN.**

For example, question No. 55 in the Test Booklet reads as below:

College of Veterinary Science & Animal Husbandry of U.P. Pandit Deen Dayal Upadhyaya Pashu Chikitsa Vigyan Vishwavidyalaya evam Go Anusandhan Sannsthan is located at:

- (a) Lucknow (b) Mathura (c) Bareilly (d) Kanpur

The correct answer to this question is (b) Mathura. The candidate will locate question No. 55 in the answer sheet (OMR sheet) and darken the circle (b) as shown below:

If the candidate does not want to attempt any question, they should not mark (darken) any of the circles given against that question.

The candidate must ensure that the answer sheet is not folded. Candidate should not make any stray marks on it as it may discredit his/her OMR sheet during optical scanning for which the candidate would be responsible.

Wrong/Incorrect way of marking: If more than one circle is darkened or if the response is marked in the manner other than the required, it shall be treated as wrong way of marking the answer. A lightly, faintly or partly darkened or otherwise marked circle will be treated as wrong method of marking which will be rejected by the Optical Scanner.

Various possibilities (Not limited to these exhibited) due to which optical scanner may reject marking. These are only indicative and are not limited to exhibited.

17. Procedure to be followed in the Examination Hall:

- a) Only admit card and pen are allowed in the Examination Hall.
- b) Handbags, Mobile or Cell phone, pagers, digital watch, pen drives, calculators, cameras, tape recorders, pen scanners or any other communication or copying devices are not allowed inside the Examination Hall/Room.
- c) No candidate shall be allowed to enter the examination hall after 15 minutes of the commencement of Examination. Candidates who arrive late may be admitted to the examination hall at the discretion of the Centre Superintendents but in no case a candidate should be admitted who arrives more than 30 minutes after the commencement of the examination.
- d) Before answering the questions, candidates should write their correct roll number both in figures and words on the Question Booklet.
- e) On the front side of the OMR sheet, the candidate should write Roll number, category, sub-category, question booklet code, subject code as well as fill the circles correctly and carefully. Any error in filling circles may lead to non-evaluation / wrong evaluation of OMR sheet
- f) On the back side (second side) of the OMR sheet (answer sheet), candidate should write their name, roll number and put their signature in the space provided as per application form and should be countersigned by the invigilator.
- g) Copying down questions by candidates on admit cards or any other material will disqualify them from the examination.
- h) No candidate shall be allowed to leave the examination hall/room before completion of the examination time. A candidate may be permitted to leave the hall/room only once for the purpose of toilet use after 60 minutes of the commencement of the examination with an escort.
- i) Before leaving the examination hall/room candidates must hand over the question booklet and the answer sheet (OMR) to the invigilator.
- j) Smoking and use of other intoxicants are strictly prohibited in the Examination Hall.
- k) University reserves all the rights to get candidates photography and/ or videography and /or finger printing of the candidates during the examination for record and subsequent identification purposes. Any impersonation will be dealt with as per the law.

18. Method of Selection

The admission shall be made strictly in order of merit - cum reservation based on the marks obtained by the candidate in the Undergraduate Entrance Examination. For admission to BVSc and AH/ B. Tech. (Biotechnology)/ B. F. Sc./ B. Tech. (Dairy Technology) merit list of UGEE-2026 will be followed.

18.1. The minimum qualifying marks for being eligible for counselling will be 30 percentile (20 percentile for SC/ST candidates) in UGEE 2026. The percentile will be determined based on the highest marks secured in the UGEE 2026. However, the University reserves the right to lower the cut-off criteria, if the seats remain vacant. Moreover, mere obtaining a score more than the qualifying criteria of entrance examination (UGEE 2026) does not give any right of admission to the candidate. The candidate must be in the merit list to be eligible for counselling and produce all the relevant certificates at the time of counselling to be considered under relevant category which the candidate has claimed during filling the application form.

18.2. In case of candidates having obtained equal percentile in the entrance examination, their inter-se ranking shall be determined on the basis of the following:

- a) The aggregate percent of marks obtained by the candidates in all the subjects taken by him/ her in Intermediate/ (10+2) examination.
- b) The aggregate of the percent marks obtained in science subjects (physics, chemistry, biotechnology/biology/mathematics) in Intermediate/ (10+2) examination.
- c) In case of the candidates, who have secured equal marks in aggregate at the qualifying examinations as well as in science subjects, and even other examinations up to high school examinations, the date of birth shall be the basis i.e., the candidate senior in age would rank higher for selection.

- vii. There shall be no negative marking.
- viii. Use only **BLACK/BLUE BALL POINT PEN** for writing and filling the circle(s) on the OMR answer sheet.
- ix. Please read the instructions given in the question booklet in full before attempting the questions.

10. Answer Sheet

The answer sheet i.e., OMR will be provided with the Test Booklet. Candidates are advised to go through it and be fully conversant with the requirement of given particulars and marking the answers so that in the examination hall they could do so without any difficulty.

Note: No query regarding filling up of the test-booklets and answer sheets by the students will be entertained in the Examination Hall. The answer sheet used will be of special type, which will be scanned on Optical Scanner. There will be two sides of the Answer Sheet. Each answer circle on the sheet corresponds to the serial number of questions given in the Test Booklet. With each column, there are four circles bearing numbers a, b, c and d which correspond to the four responses, one of which is correct or most appropriate.

11. Writing of Answers or Responses

There will be four alternative answers for each of the question numbering from 01 to 200. The candidate will indicate his/her response to the question by **completely darkening the appropriate circle with BLACK /BLUE BALL PEN.**

For example, question No. 55 in the Test Booklet reads as below:

College of Veterinary Science & Animal Husbandry of U.P. Pandit Deen Dayal Upadhyaya Pashu Chikitsa Vigyan Vishwavidyalaya evam Go Anusandhan Sansthan is located at:

- (a) Lucknow (b) Mathura (c) Bareilly (d) Kanpur

The correct answer to this question is (b) Mathura. The candidate will locate question No. 55 in the answer sheet and darken the circle (b) as shown below:

If the candidate does not want to attempt any question, they should not mark (darken) any of the circles given against that question.

The candidate must ensure that the answer sheet is not folded. The candidate should not make any stray marks on it as it may discredit his/her OMR sheet during optical scanning for which the candidate would be responsible.

Wrong/Incorrect way of marking: If more than one circle is darkened or if the response is marked in the manner other than the required, it shall be treated as wrong way of marking the answer. A lightly, faintly or partly darkened or otherwise marked circle will be treated as wrong method of marking which will be rejected by the Optical Scanner.

Various possibilities (Not limited to these exhibited) due to which optical scanner may reject marking. These are only indicative and are not limited to exhibited.
